

# Transformer and Circuit Breaker Leak Sealing Service

## Unmatched response

We're ready 24 hours a day, seven days a week.  
Others try to sell this, but we live it.

## Quality service

- Quality work safely performed using unsurpassed sealants and engineered products
- All work is guaranteed for two years
- Over eleven thousand successfully completed repairs documented

## Long term commitments

Our goal is to service your facilities long term. We will accomplish this by keeping your requirements fulfilled at a competitive cost, with constant emphasis on safety, quality and training.

## Future development

With our research and development of new sealants and products and a commitment to service, we see more growth in our future.

**We'll be glad to show you our commitment to service,  
safety and quality work. Call us today!**
